Hi, I'm George Verongos. I'm here to help you complete your project :)

After 10 years of teaching secondary English and Creative Writing, I started Literary Services to help new authors in 2010.

These are a few bestsellers I have worked on, some with award-winning authors.  
You can see more of my work at [www.LiteraryServices.net](http://www.LiteraryServices.net)

"UFO Briefing Book: A Guide to Congressional Oversight of the UAP Phenomenon" by James Lough  
"Devils Den: The Reckoning" by Terry Lovelace  
"Incident At Devils Den – A True Story" by Terry Lovelace  
"Initiated: UAP, Dreams, Depression, Delusions, Shadow People, Psychosis, Sleep Paralysis, and Pandemics" by Matthew Roberts  
"Timeless Trinity" by Dr. Bruce Olav Solheim  
"Anzar: The Progenitor" by Dr. Bruce Olav Solheim  
SNARC comics by Dr. Bruce Olav Solheim  
"Foundation Focus Freedom – The 3 Step Process For Transforming Your Mindset, Overcoming Your Fear, And Harnessing Unimaginable Success" by Terence Young, MD  
"Growing Bald" by Max DaSilva

And I edited the award-winning novel titled "Hooked" by Allen Wolf, which is now an independent film.

I provide authors and publishers with the services and support they need for the next steps to publication. Those services include editing, both developmental and substantive, proofreading, ghostwriting, content design and layout, cover creation, and formatting for several self-publishing formats.

FREE SAMPLE EDIT! Just send me a few pages and I will edit them and return them promptly. This allows you to see how well we work together using your written words.

Price includes as many editing passes as you need to allow you the flexibility of making changes to the manuscript without paying for extra editing.

I include a final proofread after the content editing is complete to ensure your manuscript is perfect, which saves you money on hiring a proofreader.

I'm here to help. I know that writing a book is a monumental task that requires support and insight, and that is what I provide for you. I will always work with you to make sure you are satisfied with my services and beyond excited about the completion of your new project.

Editing (includes layout, formatting, deliverable as a ready-to-upload file) 3¢ per word.  
*Clients working through Upwork are responsible for the Upwork project fees (20%).*

Custom original covers (paperback, hardback, and ebook) \$500 (\$300 for editing clients).

I offer free sample edits, just send me about 10 pages to review and I will sample edit a few and return to you ASAP so you can see firsthand if I am a good fit.  
I have attached a signed NDA for your added peace of mind when sharing your work with me.

I look forward to hearing from you.  
Write on!
